PROFESSIONAL & RELIABLE

01

Rife Masonry takes strides to ensure your project is held to the highest standards. We make concerted efforts to be the experts that you all want and need us to be. It is a goal everyday to be the most reliable and professional masonry company in the industry.

RIFE MASONRY | HERE FOR YOU

Rife Masonry is a scalable masonry outfit that is capable of growing quickly for large jobs and scaling back for small jobs due to our ability to source skilled union masons with the BAC Local #1. We specialize in historic masonry restoration, new construction, and commercial buildings, while still being able to serve residential masonry needs.

OUR PROMISE

02

Gaining your trust is paramount to our success. Our teams know that to succeed is to follow the procedure, satisfy the clients, and produce exceptional quality. We won't leave your job until we know you are fully satisfied.

MASONRY SERVICES

- Tuckpointing Services
- Caulking Services
- Waterproofing
- Brick Laying & Repair
- Building Envelope Repair
- New construction
- Stone Veneer

I have hired Rife Masonry for a number of jobs. He is fairly priced, always on time, leaves the job clean, and his work is excellent. I will continue to use his services in the future.

- Stacy Eakman | Eakman Construction
